A letter from your 2026 Program Chair

Dear Industry Partner,

You are invited to join the Texas Society of Plastic Surgeons for the 2026 Annual Meeting as a valued exhibitor and partner in supporting plastic surgeons, residents, and fellows across Texas.

This year's meeting is being developed with a strong emphasis on education, clinical relevance, and professional connection. The goal is to create an environment that is thoughtful, focused, and collegial - one that supports meaningful interaction between physicians and the industry partners who help advance innovation, technology, and patient care within our specialty.

Careful attention has been given to feedback from prior years. Quality improvements have been made to the program, schedule, and overall exhibitor experience to support engagement, visibility, and relationship-building throughout the meeting. The commitment of our industry partners is both recognized and deeply appreciated, and strengthening those relationships remains a priority.

Your presence contributes directly to the success of the 2026 Annual Meeting and to the broader mission of supporting excellence in plastic surgery across Texas. We hope you will join us at the Marriott Marquis Houston in September for what promises to be a purposeful and highly professional gathering of colleagues and partners committed to advancing the field.

Sincerely,

Donald R. Collins, Jr., MD, FACS
2026 Annual Meeting Program Chair
TSPS President-Elect

Join Us at the 2026 TSPS Annual Meeting

The 2026 TSPS Annual Meeting convenes Texas's leading plastic, reconstructive, and aesthetic surgeons—creating a focused, high-value environment for meaningful interaction with the physicians shaping the future of the specialty and the practices that support it.

As an exhibitor, you gain more than visibility. You gain direct access to clinical leaders, practice decision-makers, and the broader professional community driving innovation, adoption, and growth across plastic surgery in Texas.

The meeting also features a robust abstract and research program that brings residents, fellows, and early-career surgeons into the educational environment—providing a unique opportunity to build awareness and relationships with the next generation of plastic surgeons early in their careers.

- Elevate your brand visibility among influential surgeons and practice leaders
- Build and strengthen relationships through consistent, in-person engagement
- Connect with residents and early-career surgeons entering the specialty
- Showcase solutions that support clinical excellence, operational efficiency, and practice growth
- Stay connected to emerging trends, technologies, and priorities across plastic surgery
- Position your organization as a trusted partner across the full continuum of the specialty—from training to established practice

General Information

September 18–20, 2026

Marriott Marquis Hotel
Houston, TX

Important Dates	March 23, 2026	Deadline to be included in the registration brochure
	August 1, 2026	Deadline to cancel without penalty (minus \$200 cancellation fee)
	August 26, 2026	Hotel Room Block Discount Cut-Off Date

Expected Attendance (200+)

Attendees include private practice and academic plastic surgeons, practice leaders, and subspecialists across aesthetic, reconstructive, and hand surgery from throughout Texas and the surrounding region.

Exhibit Hall Engagement & Traffic

TSPS continues to refine the exhibitor experience with a stronger focus on timing, flow, and meaningful engagement.

All breaks and the Friday Welcome Reception will again take place in the exhibit hall, with more intentional scheduling to support consistent attendee traffic and time for interaction. Breakfast service will also be located within the exhibit space to encourage natural flow into the hall throughout the morning.

The TSPS Foundation (a 501c3 not-for-profit organization) is also excited to announce its 2026 Silent Auction, with all proceeds benefitting the Foundation. Silent Auction activities will be located throughout the exhibit hall.

In addition, TSPS member ambassadors will be scheduled to visit exhibitor booths during the meeting to help facilitate introductions and encourage connection with attendees.

Exhibit Hall Times (Tentative)	Friday, September 18	9am–7pm (lunch on your own)
	Saturday, September 19	8am–5pm (lunch on your own)
	Sunday, September 20	8am–11am
	Exhibit Setup	Thursday afternoon / Friday morning (Exact times TBA)
	Exhibit Teardown	Sunday following final break

(Exhibitors are asked NOT to load-out before the Sunday break.)
